Training Programme

Training Title: Innovative Extension Methods for Upscaling Sugarcane Production Technologies.

Date & Duration: 12th to 16th January, 2026 (Five Days)

Venue: ICAR Sugarcane Breeding Institute, Regional Centre, Karnal

Course Director: Dr. S.R. Verma

Target Group: Middle-level Extension Functionaries (Agriculture & Allied Sectors)

Objectives of the Training Programme:

1. Sensitize about innovative extension approaches for sugarcane technology dissemination
2. Updating the latest technical know-how in sugarcane production
3. Capacity building for effective technology transfer and upscaling

Tentative Day to Day Training Schedule:

Date & Time	Topics	Resource Person
Day-1: 12.01.2026 (Monday)		
9.30 -10.30 AM	Registration, Need Assessment & Pre-Training Test	Training Assistant/ Participants
10.30 -11.15 AM	Inauguration of Training Programme	RD, EEI / Faculty/Course Director & Participants
Tea Break		
11:30AM – 1.00 PM	Ice-breaking, Expectations Sharing, and Energizing	Dr. S.R. Verma Course Director/ Participants
Lunch break		
2.00 – 3.30 PM	Effective lifestyle management and health care.	Dr. Sanjay Kumar Regional Director, EEI
Tea Break		
3.45 - 4.45 PM	Classification, Selection, and Use of Innovative Extension Methods	Dr. S.R. Verma Asstt. Professor & Course Director
Day-2: 13.01.2026 (Tuesday)		
9.15 -9.30 AM	Recall session	Course Director/ Participants
9.30- 11.00 AM	Advance agronomical practices for sugarcane production.	Dr. Mehar Chand Professor (Agronomy), CoA, Kaul
Tea Break		
11.15 AM -1.15 PM	Ratooning and weed management practices in sugarcane	Dr. Mehar Chand Professor (Agronomy), CoA, Kaul
Lunch Break		
2.30 – 3.45 PM	Sugarcane planting methods	Guest speaker from SBI Regional Station, Karnal

4.00 – 5.30 PM	Practical Demonstration cum Farm Visit for sugarcane research trails at SBI farm	Guest speaker from SBI Regional Station, Karnal
Day-3: 14.01.2026 (Wednesday)		
9.15 -9.30 AM	Recall session	Course Director/ Participants
09:30 - 11:00 AM	Interpersonal Relationship strategy for effective transfer of technology	Dr. Satyakaam Malik Assoc. Prof. (Mngt. Science)
Tea Break		
11:15 AM -1.15 PM	Disease management in sugarcane crop	Guest speaker from SBI Regional Station, Karnal
Lunch Break		
2.30 – 3.45 PM	IPM in sugarcane	Guest speaker from SBI Regional Station, Karnal
4.00 – 5.30 PM	Interaction with a sugarcane farmer at the farmer's field	Coordinator/ Participants
Day-4: 15.01.2026 (Thursday)		
9.15 -9.30 AM	Recall session	Course Director/ Participants
09:30AM - 11:00AM	Public Speaking strategy for extension personnel	Dr. Jaswinder Kaul Asstt. Prof. (Ext.), EEI, Nilokheri
Tea Break		
11:15AM - 01:00PM	Irrigation & Nutrient management in sugarcane	Guest speaker from SBI Regional Station, Karnal
Lunch Break		
2.00 – 5.30 PM	Exposure Visit to Kurukshetra	Coordinator/ Participants
Day-5: 16.01.2026 (Friday)		
9.15 -9.30 AM	Recall session	Course Director/ Participants
09:30AM - 11:00AM	Use of generative AI tools for sugarcane content creation.	Dr. S.R. Verma Asstt. Prof. & Course Director
Tea Break		
11:15AM - 01:00PM	Presentation by participants about take home knowledge and skills	Course Director/ Participants
Lunch Break		
02:00 - 03:00 PM	Post-training evaluation & feedback	Training Assistant/ Course Director/ Participants
03.00 - 04.00 PM	Valedictory Function & certificate distribution	Chief Guest, RD, Course Director, faculty & Participants
