

Dr. Sanjay Kumar
Professor & Regional Director
E-mail ID: sanjay7228@hau.ac.in
Mobile number: +91 9416509900

Dr. Sanjay Kumar completed his Ph.D. with distinction from Punjab Agricultural University Ludhiana in 2006. With a career spanning nearly three decades, Dr. Kumar has made significant contributions to teaching, research, and extension activities. He began his professional journey in 1995 and served as the Head of the Department of Soil and Water Engineering for four years. Additionally, he served as the Associate Director of Directors' Students Welfare for 15 months, demonstrating his commitment to student welfare and administrative responsibilities. His prolific research output includes 92 research papers, seven research bulletins, and twenty-eight book chapters, reflecting his expertise and contributions to the academic community. Furthermore, Dr. Kumar has penned seventy-four popular articles, showcasing his ability to disseminate knowledge effectively to a wider audience. Currently, Dr. Sanjay Kumar serves as the Regional Director at the Extension Education Institute, Nilokheri, where he continues to make valuable contributions to the field through his leadership and expertise.
