Mobile Number: +91 8307533392

Dr. Satyakaam Malik is an Associate Professor at the Extension Education Institute, Nilokheri, where he has been serving since 2002. He holds a Master's in Business Administration from IMSAR, MDU, Rohtak, and a Ph.D. from CCSHAU, Hisar. With approximately 22 years of experience in conducting training programs, he is an accomplished trainer himself. Dr. Malik organizes and conducts around 30 training programs annually across various domains, such as communication and other areas aimed at enhancing human capacity in his field of expertise. He has authored over 20 research papers in his area of specialization. In terms of international exposure, Dr. Malik attended a 21-day training program on "Training for Impact" at Maastricht University, Netherlands. Additionally, he participated in a training session at the Lal Bahadur Shastri National Academy of Administration, where bureaucrats and technical professionals engaged in productive discussions and interactions.
